FTB 3705 Instructions

Taxpayer Advocate Equity Relief Request

R&TC Section 21004

Form Purpose

Use FTB 3705, *Taxpayer Advocate Equity Relief Request*, to request relief from interest, penalties, additions to tax, and fees that are attributable to any of the following:

- Erroneous action or erroneous inaction by the Franchise Tax Board (FTB) in processing documents you filed or payments you made.
- Unreasonable delay caused by FTB.
- Erroneous written advice that does not qualify for relief under R&TC Section 21012.

The Taxpayers' Rights Advocate in coordination with our Chief Counsel may only grant relief if you did not contribute to the error or delay in any significant way and relief is not otherwise available under the law, including under any regulation or FTB announcement.

Relief granted may not exceed \$10,000.00 for any taxable year. Beginning January 1, 2017, this amount is subject to incremental annual changes. Any relief exceeding \$500.00 is subject to review and concurrence by our Executive Officer.

When relief is granted, a public record of such relief is placed on file with our Executive Officer. The public record includes the taxpayer's name, total amount involved, amount payable or refundable due to the error or delay, and a summary of why the relief is warranted.

No other entity may grant or deny relief. The Taxpayers' Rights Advocate's determinations under this provision are not subject to review in any administrative or judicial proceeding.

Who Can File

You or your authorized representative can file FTB 3705. If your authorized representative files for you, we must have an FTB 3520-PIT, *Individual or Fiduciary Power of Attorney Declaration*, or FTB 3520-BE, *Business Entity or Group Nonresident Power of Attorney Declaration*, on file or you must submit one.

When to File

If you wish to request relief on a final unpaid balance, you may file that request at any time.

You may receive a refund as a result of relief granted only if the applicable statute of limitations for filing a claim for refund remains open. Generally, you can file your claim

no later than four years from the due date of your tax return, or one year from the date of the overpayment.

Attach appropriate supporting evidence or documentation to this request.

If the Taxpayers' Rights Advocate Denies Your Request
